*Annual Percentage Yield assumes principal and interest remain on deposit for the term of the certificate. All interest

payments for the advertised APY will be made quarterly. We will impose a penalty if you withdraw any or all of the funds before the maturity date. The penalty imposed will equal 365 days of interest on your account. Your account will automatically renew at maturity. You will have a grace period of 10 Calendar days after the maturity date to withdraw the funds in the account without being charged an early withdrawal penalty. Fees may reduce earnings. The Annual Percentage Yield disclosed above is accurate as of 12/1/2017.

Spreading Holiday Cheer

The Giving Tree

Once again, our lobby has been filled up by the generosity of our Cashton community members! Our tree was decorated with tags describing a child in need along with a description of a gift he or she would like. These tags were quickly replaced by presents waiting to brighten the lives of these children on Christmas morning! THANK YOU to everyone who donated! Our community is truly blessed by the generosity shown not only in this holiday season, but all year long!
