### IF IT'S NOT .BANK, IT'S NOT US!

You can access online banking through the Bank of Cashton's new .BANK website! You have all of the same access to your online banking accounts as you did before; however, we made the move from .com to .BANK in order to provide you an even more secure banking experience. Please be sure to look for the '.BANK', instead of .com, in our website URL to confirm you are interacting with us. If it's not .BANK, it's not us. Our .com website will redirect you to our new .BANK site, but over time you should update your

address book and bookmark for our site.  
Check out our new website today at [www.bankofcashton.bank](http://www.bankofcashton.bank)!

## CORONAVIRUS UPDATES

We remain eager to serve your financial needs during this unprecedented social distancing period due to the Coronavirus pandemic. Please utilize our many ways to access your accounts from home.

During this pandemic, many of our transactions are originating from home. Please keep in mind that scammers are looking for many opportunities to steal personal and financial information. With the Shazam Bolt\$ or the Bank of Cashton app we provide extra control on your debit card. With these apps you can manage alerts, set up notifications for high dollar thresholds, purchase types, and fraud alerts. You can receive these notifications by email or SMS for added security on your debit card.

## MEMORIAL DAY 2020

As we remember our fallen armed service individuals, this year we will also remember the heroic lives lost in the service of our country during the coronavirus pandemic. Give thanks to the many who have sacrificed to make our country have a bright future even during these challenging times of uncertainty. Thank you to all who serve our great country.
