SPECIAL ENROLLMENT PERIOD

Did you know a change in your situation – like getting married, having a baby, or losing health coverage – can make you eligible for a Special Enrollment Period? These situations allow you to enroll in health insurance outside the yearly Open Enrollment Period.

Give Ann Kaiser a call, and she will help you determine your eligibility and get you and your family covered (608) 654-5121.

You may qualify for a special enrollment period.

5 TIPS TO SAVE THIS SUMMER!

1. **Visit the thrift store-** Spring cleaning often leads to an influx of high-quality items at secondhand shops.
2. **Update your home goods-** Retailers often mark down big-ticket

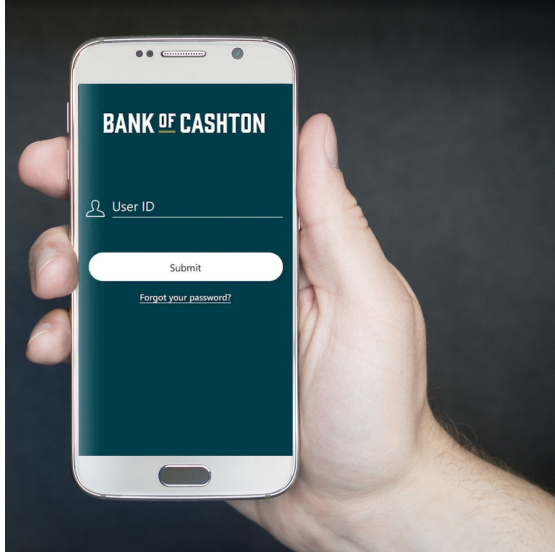

appliances like refrigerators this time of year, as well as indoor furniture and cookware.

3. **Plan travel with online tools-** Use comparison tools and travel websites before buying any plane or hotel tickets this summer.

4. **Buy your produce in bulk-** The summer harvest often means an abundance of locally grown fruit and vegetables.

5. **Stick with generics-** Try buying store-brand items instead of pricier labels when you're shopping.
