SMALL BUSINESS SATURDAY

Small Business Saturday is November 28th 2020, the Saturday following Thanksgiving. Bank of Cashton encourages you to support local small businesses by shopping locally on Small Business Saturday this year! When you shop at locally owned small businesses this holiday season, you support your neighbors and your community. Shop small first this year, and celebrate local businesses!

GRANDPARENT SCAM

One of the most common scams presented to seniors is the Grandparent Scam. The caller claims to be a relative, a grandson or granddaughter, and the call is urgent. Typically, the grandchild is out of town and is in trouble, needs money fast for some emergency, and doesn't want the rest of the family to know. The caller may have bits of information, some of which could be collected from sources like social media, and prompts the senior to provide more information, making the call appear genuine. This is not a legitimate call. Hang up the phone and contact your family or the authorities.
