ASSET

The **Asset** widget within the Bank of Cashton app offers unique control: understand the state of your finances instantly from your phone, tablet, or computer! The app is free to download, compatible with Androids and iPhones, and integrates with online banking.

Using Asset can help you:

Know What You Spend

Accurately tracking what you spend is the key to keeping a handle on your finances. Categorizing your spending and checking your transactions in real time can aide you in keeping your budgets up to date.

Build Better Budgets

Budgets automatically update as transactions come in; no need to manually punch in numbers! The visual style of budgets in Asset can help you see your money at a glance and help you make smart spending choices.

Watch All Of Your Accounts

With Asset, you can add many different types of accounts to your dashboard.

Besides your accounts at Bank of Cashton, you can add: credit cards, accounts at different institutions, car loans, mortgages, and more! Get your whole financial picture with Asset.

INTERNET SCAMS

There are many ways scammers are using technology to take advantage of seniors. Whether it is a special offer via email, attempts to acquire your user name and password via a scheme, or skimming of information while shopping online, there are ways you can be in control and keep your information safe.

If you are computer-savvy, keep these tips in mind to keep your information safe:

- Never click on links in emails.
- Don't open attachments for special offers.
- Be careful of free offers over holidays.
- Watch for malicious ads and popups.
- Don't shop over public wi-fi.
- Be suspicious of gift card scams –buy from trusted sources.
- Know what your product costs.
- Make sure the site is secure – look for the “lock” icon and “https” on your browser address bar when shopping.
- Make sure all computer anti-virus, malware, and security software is up to date.
- Don't save credit card information online; check out as guest if offered on the site.
