LIFE INSURANCE

There are several different types of Life Insurance but the two most basic are term and permanent. Term insurance lasts a specific time period and pays a death benefit if the insured passes away during that time period. It accrues no cash value. Permanent insurance accrues cash value. This will usually be designed to last through the entire life of a person. Sit down with Brandon Corcoran, Investment Advisor located at the Bank of Cashton, for answers to your life insurance questions. Call the Bank of Cashton today at 608-654-5121 to schedule an appointment with Brandon!

Securities and Insurance products are offered through Cetera Investment Services LLC, member FINRA/SIPC. Advisory services are offered through Cetera Investment Advisers LLC. Advisory services are only offered by Investment Adviser Representatives. **Investments are: *Not FDIC/NCUSIF insured *May lose value *Not financial institution guaranteed *Not a deposit *Not insured by any federal government agency.**
