TIPS FOR SUMMER TRAVEL

Bank of Cashton Mobile app makes it easier than ever to monitor and manage your accounts from nearly anywhere, including while away on vacation or out on a boat relaxing.

1. Setup text alerts and push notifications to alert you of a low balance or large withdrawal to your account. Alerts are a great way to help you monitor your finances on the go, even when it might be the last thing on your mind.
2. Setup a Travel Notice with the app before you go, so we are aware of your destination and less likely to flag charges as fraudulent.
