CURRENCY CONVERSION - Visa®. CURRENCY CONVERSION - Visa®. When you use your card with the Visa® logo at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and financial institution information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your financial institution and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers.

Examples of these transfers include, but are not limited to:

- Preauthorized credits
- Preauthorized payments

NOTICE OF RIGHTS AND RESPONSIBILITIES

The use of any electronic fund transfer services described in this document creates certain rights and responsibilities regarding these services as described below.

RIGHT TO RECEIVE DOCUMENTATION OF YOUR TRANSFERS.

TRANSACTION RECEIPTS. Depending on the location of an ATM, you may not be given the option to receive a receipt if your transaction is \$15.00 or less. Upon completing a transaction of more than \$15.00, you will receive a printed receipt documenting the transaction (unless you choose not to get a paper receipt). These receipts (or the transaction number given in place of the paper receipt) should be retained to verify that a transaction was performed. A receipt will be provided for any transaction of more than \$15.00 made with your Debit Card at a Participating Merchant. If the transaction is \$15.00 or less, the Participating Merchant is not required to provide a receipt.

PERIODIC STATEMENTS. If your account is subject to receiving a monthly statement, all EFT transactions will be reported on it. If your account is subject to receiving a statement less frequently than monthly, then you will continue to receive your statement on that cycle, unless there are EFT transactions, in which case you will receive a monthly statement. In any case you will receive your statement at least quarterly.

PREAUTHORIZED DEPOSITS. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company:

- the person or company making the deposit will tell you every time they send us the money.
- you can call us at (800)205-7203 to find out whether or not the deposit has been made.

USING YOUR CARD AND PERSONAL IDENTIFICATION NUMBER ("PIN"). In order to assist us in maintaining the security of your account and the terminals, the Debit Card remains our property and may be revoked or canceled at any time without giving you prior notice. You agree not to use your Debit Card for a transaction that would cause your account balance to go below zero, or to access an account that is no longer available or lacks sufficient funds to complete the transaction, including any available line of credit. We will not be required to complete any such transaction, but if we do, we may, at our sole discretion, charge or credit the transaction to another account; you agree to pay us the amount of the improper withdrawal or transfer upon request.

Certain transactions involving your Debit Card require use of your PIN. Your PIN is used to identify you as an authorized user. Because the PIN is used for identification purposes, you agree to notify BANK OF CASHTON immediately if your Debit Card is lost or if the secrecy of your PIN is compromised. You also agree not to reveal your PIN to any person not authorized by you to use your Debit Card or to write your PIN on your Debit Card or on any other item kept with your Debit Card. We have the right to refuse a transaction on your account when your Debit Card or PIN has been reported lost or stolen or when we reasonably believe there is unusual activity on your account.

The security of your account depends upon your maintaining possession of your Debit Card and the secrecy of your PIN. You may change your PIN if you feel that the secrecy of your PIN has been compromised. You may change your PIN via the telephone or contacting the Bank of Cashton at (800) 205-7203 and requesting a new Easy PIN Reference Number.

RIGHTS REGARDING PREAUTHORIZED TRANSFERS.

RIGHTS AND PROCEDURES TO STOP PAYMENTS. If you have instructed us to make regular preauthorized transfers out of your account, you may stop any of the payments. To stop a payment,

call us at: (800)205-7203

or

write to: Bank of Cashton
PO Box 70
Cashton, WI 54619

We must receive your call or written request at least three (3) business days prior to the scheduled payment. If you call, please have the following information ready: your account number, the date the transfer is to take place, to whom the transfer is being made and the amount of the scheduled transfer. If you call, we may require you to put your request in writing and deliver it to us within fourteen (14) days after you call.

NOTICE OF VARYING AMOUNTS. If you have arranged for automatic periodic payments to be deducted from your checking or savings account and these payments vary in amount, you will be notified by the person or company ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

OUR LIABILITY FOR FAILURE TO STOP PREAUTHORIZED TRANSFER PAYMENTS. If you order us to stop one of the payments and have provided us with the information we need at least three (3) business days prior to the scheduled transfer, and we do not stop the transfer, we will be liable for your losses or damages.

YOUR RESPONSIBILITY TO NOTIFY US OF LOSS OR THEFT. If you believe your Debit Card or PIN or internet banking access code has been lost or stolen,

call us at: After hours (800) 383-8000 or during normal business hours (608) 654-5121 (9:00 AM - 5:00 PM)
or
write to: Bank of Cashton
PO Box 70
Cashton, WI 54619

You should immediately notify the Bank of Cashton of any loss, theft, disappearance or known suspected unauthorized use of your debit card. Please call the Bank of Cashton at (608) 654-5121 during normal business hours or (800) 383-8000 after hours.

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

CONSUMER LIABILITY. Tell us AT ONCE if you believe your Debit Card or PIN or internet banking access code has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit, if applicable). If you tell us within two (2) business days after you learn of the loss or theft of your Debit Card or PIN or internet banking access code you can lose no more than fifty dollars (\$50) if someone used your Debit Card or PIN or internet banking access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your Debit Card or PIN or internet banking access code and we can prove we could have stopped someone from using your Debit Card or PIN or internet banking access code without your permission if you had given us notice, you can lose as much as five hundred dollars (\$500).

The limitations on your liability for unauthorized transfers described in the following paragraph do not apply to preauthorized automatic payments from your checking account(s), savings account(s), money market account(s), NOW account(s), Super NOW Account(s), and Health Savings Account(s). Unless you have complied with the procedures to stop the preauthorized payment described above, your liability for such unauthorized transfers is unlimited.

If your statement shows transfers you did not make (other than a preauthorized transfer), including those made by card, code, or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was transmitted to you, you may not receive back any money you lost after the sixty (60) days, and therefore, you may not get back any money in your account, if we can prove that we could have stopped someone from taking the money had you given us notice in time. If a good reason (such as a long trip or hospital stay) keeps you from giving the notice, we will extend the time periods.

CONSUMER LIABILITY FOR UNAUTHORIZED TRANSACTIONS INVOLVING DEBIT CARD AND HSA DEBIT CARD. The limitations on your liability for unauthorized transactions described above generally apply to all electronic fund transfers. However, different limitations apply to certain transactions involving your card with the Visa® logo. These limits apply to unauthorized transactions processed on the Visa® or Plus Network.

If you notify us about an unauthorized transaction involving your card with the Visa® logo and the unauthorized transaction took place on the Visa® or Plus Network, zero liability will be imposed on you for the unauthorized transaction. We may increase the limit of your liability for such unauthorized transactions to the amounts described under "Consumer Liability" above if we reasonably determine, based on substantial evidence, that you were negligent or fraudulent in the handling of your account or your card with the Visa® logo, you were proven to have participated in the transaction, or both. The zero liability provisions do not apply to PIN-based or PIN-less debit transactions not processed by the Visa® or Plus Network, including ATM transactions outside of the United States.

Your liability for unauthorized transactions with your card with the Visa® logo that involve PIN-based or PIN-less debit transactions not processed by the Visa® or Plus Network, including ATM transactions, are described under "Consumer Liability" above.

ILLEGAL USE OF DEBIT CARDS. You must not use your Debit Cards for any illegal transactions, including internet gambling and similar activities.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR TRANSACTIONS. In case of errors or questions about your electronic fund transfers,

call us at: (608)654-5121

or

write to: Bank of Cashton
PO Box 70
Cashton, WI 54619

or

email us at: internetbanking@bankofcashton.bank

or

use the current information on your most recent account statement.

Notification should be made as soon as possible if you think your statement or receipt is wrong or if you need more information about a transaction listed on the statement or receipt. You must contact BANK OF CASHTON no later than 60 days after we sent you the first statement on which the problem or error appears. You must be prepared to provide the following information:

- Your name and account number.
- A description of the error or transaction you are unsure about along with an explanation as to why you believe it is an error or why you need more information.
- The dollar amount of the suspected error.

If you provide oral notice, you will be required to send in your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days (twenty (20) business days for new accounts) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety (90) days for new accounts and foreign initiated or Point of Sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days (twenty (20) business days for new accounts) for the amount which you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (30) days after the first deposit to the account is made, including those for foreign initiated or Point of Sale transactions. Visa's® cardholder protection policy requires that we provide provisional credit for losses from unauthorized Visa® Debit Card use within five (5) business days of notification of the loss, unless we determine that additional investigation is warranted and allowed by applicable laws or regulations.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

LIABILITY FOR FAILURE TO COMPLETE TRANSACTION. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages as provided by law. However, there are some exceptions. We will NOT be liable, for instance:

- If through no fault of ours, you do not have enough money in your account to make the transfer.
- If the transfer would result in your exceeding the credit limit on your line of credit, if you have one.
- If the electronic terminal was not working properly and you knew about the breakdown before you started the transfer.
- If circumstances beyond our control (such as fire or flood, computer or machine breakdown, or failure or interruption of communications facilities) prevent the transfer, despite reasonable precautions we have taken.
- If we have terminated our Agreement with you.
- When your Debit Card has been reported lost or stolen or we have reason to believe that something is wrong with a transaction.
- If we receive inaccurate or incomplete information needed to complete a transaction.
- In the case of preauthorized transfers, we will not be liable where there is a breakdown of the system which would normally handle the transfer.
- If the funds in the account are subject to legal action preventing a transfer to or from your account.
- If the electronic terminal does not have enough cash to complete the transaction.

There may be other exceptions provided by applicable law.

CHARGES FOR TRANSFERS OR THE RIGHT TO MAKE TRANSFERS.

PER TRANSACTION CHARGE. We may assess a fee for each preauthorized transfer, ATM transaction, telephone transaction or Point of Sale purchase you make. Please see the applicable Fee Schedule to determine the applicable amount.

PERIODIC CHARGE. We may charge you a fixed monthly or annual charge for the additional services available to you through your Debit Card or otherwise. See the applicable Fee Schedule to determine the amount of the charges.

FEES. You may be charged a fee for withdrawals of cash under certain circumstances, whether they take place at proprietary machines or through a network or are Point of Sale transfers or transfers made without the use of your Debit Card. The circumstances under which such charges will be assessed, as well as the amount of the charge, are included in the current Fee Schedule, which is hereby incorporated into this document.

FEE SCHEDULE. The Fee Schedule referred to above is being provided separately and is incorporated into this document by reference. Additional copies of the schedule may be obtained from BANK OF CASHTON upon request.

PREAUTHORIZED TRANSACTIONS. There are no additional charges for your use of preauthorized electronic fund transfers except as stated in our Fee Schedule, which is incorporated into this document by reference.

DISCLOSURE OF ACCOUNT INFORMATION. We will disclose information to third parties about your account or electronic fund transfers made to your account:

1. Where necessary to complete a transfer or to investigate and resolve errors involving the transfer(s); or
2. In order to verify the existence and condition of your account for a third party such as a credit bureau or merchant; or
3. In order to comply with government agency or court orders; or
4. If you give us your permission in a record or writing.

SAFETY PRECAUTIONS FOR ATM TERMINAL USAGE. Please keep in mind the following basic safety tips whenever you use an ATM:

- Have your Debit Card ready to use when you reach the ATM. Have all of your forms ready before you get to the machine. Keep some extra forms (envelopes) at home for this purpose.
- If you are new to ATM usage, use machines close to or inside a financial institution until you become comfortable and can conduct your usage quickly.
- If using an ATM in an isolated area, take someone else with you if possible. Have them watch from the car as you conduct your transaction.
- Do not use ATMs at night unless the area and machine are well-lighted. If the lights are out, go to a different location.
- If someone else is using the machine you want to use, stand back or stay in your car until the machine is free. Watch out for suspicious people lurking around ATMs, especially during the times that few people are around.
- When using the machine, stand so you block anyone else's view from behind.
- If anything suspicious occurs when you are using a machine, cancel what you are doing and leave immediately. If going to your car, lock your doors.
- Do not stand at the ATM counting cash. Check that you received the right amount later in a secure place, and reconcile it to your receipt then.
- Keep your receipts and verify transactions on your account statement. Report errors immediately. Do not leave receipts at an ATM location.

ADDITIONAL PROVISIONS

Your account is also governed by the terms and conditions of other applicable agreements between you and BANK OF CASHTON.

Disclosures Regarding Electronic "Wholesale Credit"
Transactions Subject to Uniform Commercial Code Article 4A

Advisory Against Illegal Use

You agree not to use your card(s) for illegal gambling or other illegal purposes. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

Provisional Payment

Credit given by us to you with respect to an Automated Clearing House ("ACH") credit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive such final settlement, you are hereby notified and agree that we are entitled to a refund in the amount credited to you in connection with such entry, and the party making payment to you via such entry (i.e. the originator of the entry) shall not be deemed to have paid you in the amount of such entry.

Notice of Receipt of Entry

Under the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your account, we are not required to give next day notice to you of receipt of an ACH item and we will not do so. However, we will continue to notify you of the receipt of payments in the periodic statement we provide to you.

Choice of Law

We may accept on your behalf payments to your account which have been transmitted through one or more ACH and which are not subject to Electronic Funds Transfer Act and your rights and obligations with respect to such payments shall be construed in accordance with and governed by the laws of the State of Wisconsin, unless it has otherwise specified in a separate agreement that the law of some other state will govern.
