

Budgeting Tip 1

The Asset widget within our Bank of Cashton mobile app can detail your income and expenses on a monthly basis. You are able to separate expenses into categories.

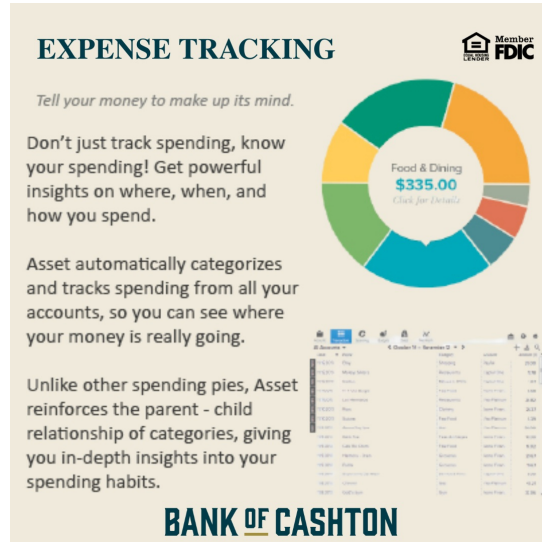

Example of expenses: Rent or Mortgage payments, auto loan, Insurance premium, daycare, cellphone, etc. The Asset widget is FREE!

The Asset widget within our Bank of Cashton mobile app can help you get a big picture of your income. You can enter in all the money you have coming in for the month or year. Include your take home pay from your job, dividend income from stocks, flipping retail products, etc.

Budgeting Tip 3

The Asset widget within our Bank of Cashton mobile app can help you monitor your spending. Tracking your spending is one of the most effective ways to improve your budgeting. Start today using Asset within our Mobile app!

Budgeting Tip 4

The Asset Widget within our Bank of Cashton Mobile app can help you prioritize paying down your debt. You can focus on first paying off your low-balance debts. Once paid off you can put more money towards your larger debt balances.
