HSA Tips

Do you currently have an HSA with the Bank of Cashton? Your HSA allows you to assign beneficiaries to receive the money from your account in the event of your passing. Be sure that the beneficiaries to your account reflect your current wishes.

Prepare for Retirement

Are you prepared for retirement? Did you know you can put up to \$7,000 a year into an IRA? If you are 50 or older you are able to contribute \$8,000. We offer two options, a Traditional IRA or a Roth IRA. Call us today at 608-654-5121 to speak with an Account Representative.

HSA Tips

Did you know the money your employer contributes to your Health Savings Account (HSA) is yours and it stays there forever? There is no "use it or lose it" rule, even if you move off the high-deductible health plan or leave your employer. It's a great way to save a pocket of money for retirement. Plus, any money you keep in your account will earn interest.
